

Jim Gard'ner, Director | Registered Architect

BBS, BArch(Hons), GradDiplCons(AA), RAIA, MICOMOS

Jim Gard'ner is a registered architect with more than 20 years experience specialising in heritage policy, conservation, management and advocacy. He has experience across the public, private and not-for-profit sectors and has led large teams to deliver complex development and heritage projects. Jim has practiced in Australia, New Zealand and the UK and brings a wealth of skills in heritage architecture, planning and delivery.

Experience:

- Director - GJM Heritage
- Executive Director, Statutory Planning & Heritage (Victorian Government)
- Executive Director, Heritage Victoria and Chair, Royal Exhibition Building and Carlton Gardens World Heritage Site Steering Committee
- Conservation Manager - National Trust of Australia (Victoria)
- Historic Buildings Architect - English Heritage
- Architect in private practice in New Zealand and the United Kingdom

Selected Projects:

- Leading the statutory approvals for infrastructure, development and heritage projects with a value of in excess of \$5 billion per annum.
- Strategic advice on the planning and delivery of heritage and planning outcomes for Point Nepean, the Murtoa No.1 Grain Store and the Shrine of Remembrance, National Trust and other heritage properties in Victoria.
- Provision of architectural design and conservation advice on a range of heritage places including the Wellington Arch, London; Stowe, Buckinghamshire; Bolsover Castle, Derbyshire; Stonehenge, Wiltshire; the Dissenters' Chapel, Kensal Green, London and Great Coxwell Barn, Oxfordshire.
- Development of the World Heritage Management Plan and Strategy Plan for the Royal Exhibition Building and Carlton Gardens.
- Preparation of the nomination of the Castlemaine Diggings National Heritage Park to Australia's World Heritage Tentative List.
- Leadership of Cooperative National Heritage Agenda projects on environment sustainability and heritage, local government heritage management and national heritage data standards.
- Lecturing and teaching at the University of Bath, Melbourne University, La Trobe University, Royal Melbourne Institute of Technology and West Dean College, Sussex.
